Clikka Mouse Free Serial Key is a simple software for people with disabilities which lets them control the mouse using gestures or voice commands. Clikka Mouse Free is a simple software for people with disabilities which lets them control the mouse using gestures or voice commands. Click-Mouse-Free is a free application that lets you click the mouse with your own fingers. It makes the mouse a little more accessible to people with disabilities, such as Visual and hearing impairments, people who can not easily interact with a mouse on their own and people who prefer to use voice commands over computer input. It works with all major operating systems, such as Microsoft Windows, Apple Mac OS X, Linux and more. I used it on a laptop with a touch screen and an external mouse, and it worked like a charm.
