===== THE BOMB-CLASS ACTION JRPG Coming to PS4
The Elden Ring, a high-end action RPG featuring beautiful graphics and a revolutionary new combat
system called "AggronCannon". ----- 1. Step into the story of the new Elden
Ring The "Tower of the Gods" and "The Lands Between", a world with two planes of existence, are
connected by the Elden Ring, an ancient magical object that is said to have been forged by the gods.
The Elden Ring, which has been stolen from the Tower of the Gods, is once again emerging in the
Lands Between. The being known as "Mercur", who has been summoned by a mysterious being from
the Tower of the Gods, appears in the Lands Between, setting the stage for the story of the Elden
Ring. 2. Stand up to Merkur! In order to stop Merkur from summoning the titular "Tower of the
Gods", you must ride the explosive "AggronCannon" and defeat many enemies. As you fight, learn

the true nature of the worlds you are standing on and the power of the Elden Ring. Can you defend the Lands Between from the Tower of the Gods? TQ's action RPG series finally arrives on Sony platforms! ————— "The Elden Ring" is an action RPG starring main characters Ash, a boy who is inexperienced in worldly affairs, and Elly, a girl who has a superiority complex. You will take on the role of a main character and progress the story through quests as you fight a variety of enemies and eventually face off against the main antagonist. The adventure is filled with battles, and you will need to make use of various battle techniques and critical thinking to progress. The game features a totally new combat system called "AggronCannon", a unique elemental attack system that allows for a variety of attacks and combinations to be used together. The many elements and attacks you are able to use are all illustrated in an easy-to-understand visual

-----FAQ----- Q: What is the Recommended

Game Processor?A: Recommended the game processor is AMD

FX-6300 or above. If you don't have such device, it is recommended

to use Intel Core i5 760 or above as processor in your computer. Q: How many times do I have to play the game?A: The game is 100% free so you can play it anytime you want, but the game only allows you to play it once. If you want to play it again, please consider buying a DLC: With purchase you can have a permanent unlock in dungeons, special PvP arenas and more. We suggest you play it at least three times before you purchase the DLC. Q: Why my game load times are very slow?A: Sometimes the game has very hard times with slow game loading. You can disable this behaviour by changing the following values in your game settings: System: - Disable the Compression feature User: - Disable the Enable Picture Quality feature. Q: I bought the DLC, but I can't find the item I want to buy it.A: Sometimes DLC items don't appear in your inventory after you buy it, so you have to redownload it. If this happens, please send us a message and we'll resend the DLC to you. Q: What is this program?A: If you see this image, it means that your Steam has been infected with a virus. So please remove it manually from your Steam: Click on the "Steam" in the top right corner, and then, click the "Apps and Games" tab. There, right click on the "Steam" icon, and then select "Properties". From there, select the tab "Local files". Then click on the "Browse local files" button to browse the folder and select the file called:
"C:\Users\YOUR_ACCOUNT_NAME\Documents\Steam\user.dll".
(Notice: The name and the path of the folder will be different for every user, so if you are not sure of which folder the one you should look for, first try changing the path on the search) When you are done, click on the "
