10 to 20 is a movie that was written and directed by renowned American filmmaker

Peter Bogdanovich. It features Steve McQueen, Diane Ladd, Lee Remick, and an

unforgettable performance by Timothy

Hutton. The film is a re-telling of a real

incident involving Russian spies and a US counter-intelligence officer, Nicholas Elliot.

Elliot and his wife, Cynthia, have been surveilling a room of top Soviet spies. The

day comes when they are to apprehend

them, but a leak in their operation allows

the spies to defect and run. Elliot and

Cynthia are forced to make the decision

about what should become of this

information - should they let an innocent couple go? The film stars Steve McQueen,

Diane Ladd, and Lee Remick, and Timothy

Hutton costarred as Elliot's son Jack. 10 to
