You will need to make a prequalification test to play. The prequalification test will be held for all 24 players from 3 countries: * Russia * Belarus * France * All new changes to the rules of the game! The train game event will begin on 21 October 2014, 8 p.m. ET. Name: [X] At: Bangalore, India Age: 20 Number of years playing: 3 years Rarity: Common Type: FFXII Playing Style: Balanced Current Deck: Zanpakuto Spellbook The Grand Witch's Memory Hope Painful Truth Moonlight Revival New World Order Seal of the Divine Dragon Sage's Cloak Astral Control Legend Fury Skyll Border Collie Connecting the Wilderness: Kira Relationship: None Development Stage: Pending I had this thing planned out since forever but its only now that i have added the body. Character is 12" tall and uses inflatable condoms for the legs. I did work on a few other things like hair, eyes, and horns. Please comment and fav if you want. I'll be updating this later on as I add more detail. This is my first commission so feel free to crit. Recently, I began playing the mobile version of Dark Souls 2 and was disappointed by the in-game chat I was using. In this video I look at how Twitter's new Bootstrap 4 integration works and then use some code from the Bootstrap 4 PHP Starter Pack to create an in-game chat box. In this video I will show a quick and dirty way to build a mocha test suite
