www.metro-n.com Some Extensions for Nevada Overview You can download simulator for Nevadawith all of extensions installed. More simulator information Ok, let's face it. With all the other sims out there, NVRide still reigns supreme. If you've got yourself an nvidia card, then the race has been over for a while. The difference between NVRide 4 and 5 is that NVRide 5 has been optimized and scales fantastically well. I am the most nvidia biased sim maker ever. I currently test not only nvidia, but intel, and more of them are on the way. I made all of the sims possible and all of the sims run on all of them, no exceptions. Get all the free extensions More free extras Full List of Extensions Pilot's Extension Description: This addon lets you simulate pilot and ground operations.
