"A month ago, they gave Russia five new types of weapons, including a cruise missile that flies 1,500 kilometers, a new generation of long-range anti-ship missile, as well as two new radar systems. So, this is a clear violation of the Minsk agreement," the politician stressed. "These new weapons are capable of reaching any target on the territory of the United States and the territories of the United States," he said. Author and

journalist Vladimir Koshlakov believes that the U.S. delegation was 'dumped' in Minsk peace talks. "As we all know
