January 10, 2009 - Not only that, it now has a title: Reborn: Jennilyn Mercado's Coffee Table Book. What do we expect from this magazine book? How in . com magazine where Jennilyn is already working on a sequel? The book will contain a number of essays from her journaling career, including her early months at The New York Times and her first experience writing with an editor. Jennilyn also promises to reveal some "behind the scenes" and talk about how to create a truly "catchy" headline. And, finally, she will write a "candid story" about what everyone has dreamed of reading since "Born to Be Wild" came out.
