Looking to get SketchUp for free from a crack or license key? Your best bet is to get SketchUp from the source. Non-original SketchUp often contains malware. If you need the SketchUp source code at C:\\Program Files\\SketchUp\\SketchUp_Code\\ or C:\\Program Files\\SketchUp\\SketchUp_Code_Common_Installed , then you know what to do. If you only need a crack (for example, for installation), then you can take it from any site where it is posted. However, if you need to get a crack from the official site, then in this case you need to know the address. To do this, open the SketchUp download page, and enter the address of the website you want to download in the fields (in this case,
